

I urge you to...

Labor Crisis:

Enact legislation providing immediate relief and wage certainty for H-2A users to support a reliable, legal workforce.

Farm Bill:

Pass a bipartisan Farm Bill that invests in specialty crop research, marketing, crop insurance, and programs to boost fresh produce consumption.

Nutrition and Growing Consumption:

- Fully fund WIC produce benefits for moms and kids.
- Expand SNAP produce incentives to increase fruit and vegetable access.
- Expand the Fresh Fruit & Vegetable Program in schools.

Food Safety:

- Ensure adequate FDA and state food safety program funding.
- Demand transparency in FDA food program funding.

Trade:

- Address unfair non-tariff barriers.
- Strengthen Farm Bill export programs (MAP, TASC) to boost market access.
